

Story Play - Making a Key Word Book

You will need:

1 sheet construction paper
2 sheets white copier paper
stapler
markers

Instructions:

Using a key word card or sentence strip as a template, trace a front and back cover for your key word book out of construction paper. Cut 5 pages out of white paper and staple the 5 pages between the covers to make a book. Let your child insert a key word card underneath each page of the book and trace the key word.
